

## ***Attention: All Commercial Businesses in the City of Mount Dora***

***The City of Mount Dora and Waste Management would like you to know.***

Waste Management is proud to be the exclusive commercial waste collection provider for the City of Mount Dora. There have been many challenges for small and large businesses due to the COVID-19 pandemic that might have changed the required service levels moving forward.

### ***How can Waste Management help Your Business?***

Waste Management wants to ensure that the businesses within the City of Mount Dora have the right collection service levels.

Is your business receiving enough collection service capacity or can your collection service capacity be decreased?

Waste Management is ready to provide advice on right sizing your services and/or provide recycling options that make sense for your business.
